A FULLY-ACCREDITED JUNIOR COLLEGE

PHONE • YUkon 9-4611  
HENDERSON, TENNESSEE

OFFICE OF THE PRESIDENT

December 11, 1961

Mr. John Allen Chalk  
Box 474  
Cookeville, Tennessee

Dear John Allen:

First, let me say that I did not plan the itinerary of the college chorus. I did have news at the last about their plans, and I noticed that it included Sparta - a place where they had never appeared.

We do not intend to slight Cookeville in any way. This trip is now over with the group returning from Birmingham, Alabama. They could only make a limited number of stops, and they were made, for the most part, where invitations had come for them to appear. This was true in the case of Sparta.

Possibly sometime later during the year we may be able to send them to Cookeville. Such a trip will have to be made in the spring, but I will be glad to know if there is considerable interest in having them. We cannot plan a long trip as we had this time because another such trip is planned running in another direction. However, I will do my best to get them to Cookeville if it seems well with all of you. Please be assured that there was no intentional slight of anyone, but since the group could stop only a limited number of times and make the places involved, you were not contacted at this time.

We are indeed grateful for what you and brother Flatt have done and are doing in the interest of the college. Count on us to support you in every way we can by way of returning good for good.

Gratefully & fraternally,

H. A. Dixon  
President

*P.S. Doyle says we'll  
come in Spring  
Semester.*
